

# FINANCIAL AID

The Financial Aid offered at California Institute of the Healing Arts & Sciences (CIHAS) is through several lenders who finance qualified students for payment plans and various programs.

The School will finance students in payment plans with a down payment and payments until balance is paid, without interest or finance charges, as long as payments are made in a timely manner.

CIHAS does not participate in any Federal Financial Aid Programs, and is not accredited by an accrediting agency recognized by the United States Department of Education.

A student enrolled at CIHAS is not eligible for federal financial aid programs.

CIHAS, however does participate in Workers Compensation, REHAB, EDD, VA & WIA funding programs.

When a student qualifies for funding programs, the student must provide written documentation and proper authorization as to the approval, funding and billing guidelines of the payee before enrollment.
